

Skills and Post-16 Education Bill [HL]

AMENDMENTS

TO BE MOVED

IN COMMITTEE OF THE WHOLE HOUSE

[For the Second Marshalled List]

Clause 22

LORD LUCAS

Page 26, line 25, at end insert “including academic qualifications, taking into account other provision accessible locally.”

Member’s explanatory statement

The purpose of this amendment is to make it clear that the role of an institution in the further education sector is to ensure that there are no gaps in local provision, and that the Secretary of State must take account of provision from other providers that can reasonably be accessed locally e.g. online.

After Clause 15

LORD FLIGHT

Insert the following new Clause—

“Lifelong learning entitlement: student support

The Secretary of State must amend the Education (Student Support) Regulations 2011 (S.I. 2011/1986) to ensure that those claiming the lifelong learning entitlement qualify as eligible students for support under those Regulations.”
