Clause 1

VISCOUNT YOUNGER OF LECKIE

- 1 Page 1, line 7, leave out “a person’s service” and insert “any continuous period of service of a person”

Member’s explanatory statement

This amendment clarifies that the definition of “remediable service” applies separately in relation to service of a person that takes place at different times (so that a person may have some service that is “remediable service” and some that is not, and may have more than one period of remediable service).

- 2 Page 2, line 3, after “that” insert “all of”

Member’s explanatory statement

This amendment clarifies that the second condition (which is concerned with whether service is pensionable) must be met in relation to all of the service in question.

- 3 Page 2, line 8, after “normal pension age” insert “or another specified age”

Member’s explanatory statement

This amendment recognises that some legacy schemes offered transitional protection to people who met conditions relating to a lower age than normal pension age.

- 4 Page 2, line 9, leave out subsections (5) and (6) and insert –

“(5) The third condition is that the person –

- (a) was, on 31 March 2012 or any earlier day, in service in any employment or office that is pensionable service under –
 - (i) a Chapter 1 legacy scheme,
 - (ii) a judicial legacy scheme (within the meaning of Chapter 2), or

Clause 1 - continued

- (iii) a local government legacy scheme (within the meaning of Chapter 3), or
 - (b) is not within paragraph (a) and was, on 31 March 2012, in service as a firefighter which entitled the person to be an active member of a relevant firefighters' legacy scheme.
- (6) The fourth condition is that there is no disqualifying gap in service falling within the period –
- (a) beginning with –
 - (i) in a case in which the third condition is met by virtue of subsection (5)(a), the day after the most recent day in relation to which that condition is met;
 - (ii) in a case in which the third condition is met by virtue of subsection (5)(b), 1 April 2012, and
 - (b) ending with the day before the first day of the service in question.”

Member's explanatory statement

This amendment adjusts the third condition in this clause to cater for the fact that certain schemes for firefighters gave transitional protection to those who on 31 March 2012 were in active service but were not active members of the scheme. The fourth condition is amended consequentially.

- 5 Page 2, line 21, leave out from “which” to end of line 24 and insert –

- “(a) is pensionable service under –
 - (i) a Chapter 1 scheme,
 - (ii) a judicial scheme (within the meaning of Chapter 2), or
 - (iii) a local government scheme (within the meaning of Chapter 3), or
- (b) is, as a result of a Fair Deal transfer, pensionable service under a Fair Deal scheme.”

Member's explanatory statement

This amendment ensures that service in a private sector scheme under Fair Deal arrangements (which, before 2013, governed the pension arrangements that had to be offered to those in public service who were compulsorily transferred to the private sector) does not count as part of a “disqualifying gap in service” for the purposes of the fourth condition.

Clause 4

VISCOUNT YOUNGER OF LECKIE

- 6 Page 4, line 12, leave out from “person” to “the” in line 16 and insert “from becoming an active member of”

Member's explanatory statement

This amendment simplifies the condition in subsection (2)(b).

- 7 Page 4, line 24, leave out paragraphs (a) to (c) and insert –

- “(a) at any time after the closing date, the person –

Clause 4 - continued

- (i) opted that their service in the employment or office in question should no longer be pensionable service under a Chapter 1 scheme, or
- (ii) ceased to be in service in the employment or office in question,
- (b) at any later time before 1 April 2022, the person—
 - (i) opted that their service in the employment or office in question should again be pensionable service under a Chapter 1 scheme, or
 - (ii) resumed service in the employment or office in question,
- (c) at that time, the rules of the Chapter 1 legacy scheme mentioned in subsection (1) prohibited a person from becoming an active member of the scheme, and”

Member’s explanatory statement

This amendment expands the special case dealt with in subsection (3) in two ways. First, so that it covers those who remained in legacy schemes after the closing date, subsequently opted out, and then decided to opt back in to a Chapter 1 scheme; and second so that it covers those who left service in the employment or office in question after the closing date and subsequently resumed service.

Clause 5**VISCOUNT YOUNGER OF LECKIE**

- 8 Page 5, line 42, leave out from “which” to “or” in line 43 and insert “a remediable service statement is first provided in respect of the member”

Member’s explanatory statement

This amendment ensures that the definition is apt for a case in which the member to whom a remediable service statement relates has died.

- 9 Page 6, line 26, at end insert —
- “(c) in cases in which any assets and liabilities that are referable to pension contributions made by or on behalf of the person have been transferred out of a partnership pension account, a condition requiring the payment to the scheme of an amount in respect of the transfer.”

Member’s explanatory statement

This amendment makes clear that scheme regulations may require that, in a case in which an amount has in the past been transferred out of a partnership pension account, an election under this clause can be made only if a payment in respect of the transfer is made to the Chapter 1 legacy scheme.

- 10 Page 6, line 29, leave out “(1)”

Member’s explanatory statement

This amendment clarifies the reference in subsection (7) of this Clause to the definition of “the relevant Chapter 1 legacy scheme” in Clause 4.

- 11 Page 6, line 30, leave out “the” and insert “any”

Member's explanatory statement

This amendment clarifies the reference in subsection (7) of this Clause to the definition of "the relevant Chapter 1 legacy scheme" in Clause 4.

Clause 7

VISCOUNT YOUNGER OF LECKIE

- 12 Page 7, line 38, leave out from "which" to "or" in line 39 and insert "a remediable service statement is first provided in respect of the member"

Member's explanatory statement

This amendment ensures that the definition is apt for a case in which the member to whom a remediable service statement relates has died.

After Clause 8

VISCOUNT YOUNGER OF LECKIE

- 13 Insert the following new Clause –

"Persons with remediable service in more than one Chapter 1 legacy scheme

- (1) This section applies where –
 - (a) an election is made by virtue of section 6 (immediate choice to receive new scheme benefits) in relation to the remediable service in an employment or office of a member ("M") of a Chapter 1 legacy scheme that is pensionable service under the scheme, and
 - (b) M has any remediable service in that employment or office that is pensionable service under another Chapter 1 legacy scheme.
- (2) If M is a relevant member within the meaning of section 6 in relation to the scheme mentioned in subsection (1)(b), the election has effect as an election by virtue of section 6 in relation to M's remediable service that is pensionable service under that scheme (as well as having effect as such an election in relation to M's remediable service that is pensionable service under the scheme mentioned in subsection (1)(a)).
- (3) If M is a relevant member within the meaning of section 9 (deferred choice to receive new scheme benefits) in relation to the scheme mentioned in subsection (1)(b), the election has effect as an election by virtue of section 9 in relation to M's remediable service that is pensionable service under that scheme (as well as having effect as an election by virtue of section 6 in relation to M's remediable service that is pensionable service under the scheme mentioned in subsection (1)(a))."

Member's explanatory statement

This amendment ensures that where a person has remediable service in an employment or office that is pensionable under more than one legacy scheme, the person can opt for new scheme benefits in respect of service in that employment or office in all of those schemes, but cannot opt for new scheme benefits in only some of those schemes.

Clause 10

VISCOUNT YOUNGER OF LECKIE

- 14 Page 9, line 5, leave out from “which” to end of line 6 and insert “it is reasonably expected that, if an election were made, new scheme benefits would become payable under the scheme to or in respect of the member.”

Member’s explanatory statement

This amendment adjusts the rule in subsection (2) so that it operates by reference to the time that benefits would become payable in accordance with an election (which may be a different time to the time at which benefits would become payable if no election were made).

- 15 Page 9, line 24, leave out “relevant”

Member’s explanatory statement

This amendment removes a redundant word from subsection (6).

After Clause 11

VISCOUNT YOUNGER OF LECKIE

- 16 Insert the following new Clause—

“Persons with remediable service in more than one Chapter 1 legacy scheme

- (1) This section applies where—
- (a) an election is made by virtue of section 9 (deferred choice to receive new scheme benefits) in relation to the remediable service in an employment or office of a member (“M”) of a Chapter 1 legacy scheme that is pensionable service under the scheme, and
 - (b) M has any remediable service in that employment or office that is pensionable service under another Chapter 1 legacy scheme.
- (2) If M is a relevant member within the meaning of section 9 in relation to the scheme mentioned in subsection (1)(b), the election has effect as an election by virtue of section 9 in relation to M’s remediable service that is pensionable service under that scheme (as well as having effect as such an election in relation to M’s remediable service that is pensionable service under the scheme mentioned in subsection (1)(a)).
- (3) If M is a relevant member within the meaning of section 6 (immediate choice to receive new scheme benefits) in relation to the scheme mentioned in subsection (1)(b), the election has effect as an election by virtue of section 6 in relation to M’s remediable service that is pensionable service under that scheme (as well as having effect as an election by virtue of section 9 in relation to M’s remediable service that is pensionable service under the scheme mentioned in subsection (1)(a)).”

Member’s explanatory statement

This amendment ensures that where a person has remediable service in an employment or office that is pensionable under more than one legacy scheme, the person can opt for new scheme benefits in respect of service in that employment or office in all of those schemes, but cannot opt for new scheme benefits in only some of those schemes.

Clause 18

VISCOUNT YOUNGER OF LECKIE

- 26 Page 15, line 34, leave out subsection (2)

Member’s explanatory statement

- 27 Page 16, line 9, leave out “member in question” and insert “person whose rights are extinguished”

Member’s explanatory statement

- 29 Page 16, line 14, after “scheme” insert “manager”

- 30 Page 16, line 14, leave out “in question” and insert “who paid the contributions or, if that member is deceased, that member’s personal representatives”

Member’s explanatory statement

Clause 20

VISCOUNT YOUNGER OF LECKIE

- 31 Page 17, line 17, at end insert –

“(aa) provision about the benefits payable to or in respect of a member who has remediable service in an employment or office where –

- (i) there is another Chapter 1 scheme that provides benefits for persons in that employment or office, and
- (ii) the two schemes provide (or in any circumstances might provide) benefits to or in respect of a person in relation to the same period of service;”

Member’s explanatory statement

This amendment is to enable provision to be made where service may entitle a person to benefits under more than one scheme (for example, some service in the armed forces entitles a person both to early departure payments under one scheme and (when they are older) to pension payments under another scheme).

- 32 Page 17, line 29, leave out paragraph (d) and insert –

“(d) provision about cases in which the scheme administrator of a Chapter 1 scheme pays a liability under section 217 or 237B of FA 2004 (joint liability of scheme administrator to lifetime allowance charge or annual allowance charge);”

Member’s explanatory statement

This amendment generalises the power in subsection (2)(d) of this Clause so that it confers power to make provision about any case in which a member’s liability to a lifetime allowance charge, or an annual allowance charge, is paid under the “scheme pays” facility (under which the liability is paid by the scheme administrator and the member’s benefits are reduced in consequence).

33 Page 17, line 32, at end insert –

- “(e) provision about cases in which remuneration is or was payable to a person on the satisfaction of a condition relating to whether any remediable service of the person is or was, or is or was eligible to be, pensionable service under a particular Chapter 1 scheme (including provision requiring any such remuneration that has been paid to be repaid).”

Member’s explanatory statement

This amendment is to enable provision to be made under this Clause about employments etc (such as the armed forces) in which a person’s pay may be determined by reference to whether their service is (or is eligible to be) pensionable service under a particular scheme.

34 Page 17, line 32, at end insert –

- “(f) provision about cases in which a former member of the armed forces –
- (i) is, disregarding section 2 (1), entitled under regulation 19 of AFEDP 2014 (lump sum awards: incapacity for armed forces service) to a payment determined (to any extent) by reference to the person’s remediable service in an employment or office, or
 - (ii) would be entitled under that regulation to such a payment if the benefits payable to the person, so far as determined by reference the person’s remediable service in the employment or office, were new scheme benefits.”

Member’s explanatory statement

This amendment is to enable provision to be made under this clause to ensure that the Chapter works fairly for members of the armed forces who would be entitled to an incapacity lump sum under the new armed forces scheme, even if they would not have been entitled to such a payment under the rules of the legacy scheme.

35 Page 17, line 32, at end insert –

- “(2A) Scheme regulations for a Chapter 1 new scheme may make provision about injury and compensation benefits payable under a relevant injury and compensation scheme to or in respect of a member who has remediable service in an employment or office.
- (2B) Provision made under subsection (2A) may in particular be made by amending the relevant injury and compensation scheme.
- (2C) In subsections (2A) and (2B) and this subsection –
- (a) “injury and compensation scheme” means a pension scheme that is listed in Schedule 6 to PSPA 2013 or Schedule 6 to PSPA(NI) 2014 (existing injury and compensation schemes);
 - (b) an injury and compensation scheme is “relevant”, in relation to a Chapter 1 new scheme, if it is connected with the Chapter 1 new scheme;
 - (c) a reference to “injury and compensation benefits” payable under an injury and compensation scheme is a reference to –
 - (i) in the case of an injury and compensation scheme in relation to which Schedule 6 to PSPA 2013 or Schedule 6 to PSPA(NI) 2014 specifies particular benefits, those benefits;

Clause 20 - continued

- (ii) in the case of any other injury and compensation scheme, any benefits payable under the scheme.”

Member’s explanatory statement

Where Chapter 1 of Part 1 retrospectively alters pension benefits payable to or in respect of a person, this may require retrospective changes also to be made to injury and compensation benefits to which the person is entitled (for example where their amount is calculated in a way that takes account of the amount of pension benefits payable). This amendment provides a power to ensure that appropriate provision can be made in such cases.

36 Page 17, leave out lines 35 to 38 and insert –

- “(a) provision modifying any provision of this Chapter in its application to persons of a description specified in the regulations;
(b) provision corresponding to, or applying, any provision of this Chapter, with or without modifications.”

Member’s explanatory statement

This amendment clarifies the way in which special cases may be dealt with in regulations.

37 Page 17, line 38, at end insert –

- “(4) In this section –
“AFEDP 2014” means the Armed Forces Early Departure Payments Scheme Regulations 2014 (S.I. 2014/2328);
“modifying” includes disapplying or supplementing (and cognate expressions are to be construed accordingly);
“scheme administrator” has the same meaning as in Part 4 of FA 2004 (see section 270 of that Act);
“the armed forces” has the same meaning as in PSPA 2013 (see paragraph 8 of Schedule 1 to that Act).”

Member’s explanatory statement

This amendment inserts definitions required for other government amendments of this Clause.

Member’s explanatory statement

This amendment ensures that, where a member has died, compensation can be paid to the member’s personal representatives if they incur a compensatable loss.

LORD DAVIES OF BRIXTON

40 Page 18, line 13, at end insert –

“(6A) In subsection (5), a loss “attributable to the application of any provision of, or made under, this Chapter” includes a loss incurred by a member with remediable service who –

- (a) is transferred to the new scheme and reaches the required number of years of pensionable service to retire with full benefits under the legacy scheme, but
- (b) is unable to access the full value of those benefits because they must continue to work to retire with full benefits under the new scheme.”

Member’s explanatory statement

This amendment provides that certain losses arising from the interaction of the rules of the new and legacy schemes respectively will be compensated.

After Clause 22

VISCOUNT YOUNGER OF LECKIE

43 Insert the following new Clause –

“Remedial arrangements to pay voluntary contributions to legacy schemes

- (1) Scheme regulations for a Chapter 1 legacy scheme may make provision so as to secure that a relevant member may enter into remedial voluntary contributions arrangements.
- (2) In subsection (1) –
 - “relevant member”, in relation to a Chapter 1 legacy scheme, means a member (other than a deceased member) who has remediable service in an employment or office which, after the coming into force of section 2 (1) in relation to the scheme, is pensionable service under the scheme (whether or not by virtue of that provision);
 - “remedial voluntary contributions arrangements” means arrangements –
 - (a) which are entered into by a member after the coming into force of section 2 (1) in relation to the scheme, and
 - (b) under which the member pays voluntary contributions to the scheme.

After Clause 22 - continued

- (3) Provision by virtue of subsection (1) may permit a member (“M”) to enter into arrangements only if the scheme manager is satisfied that it is more likely than not that, but for a relevant breach of a non-discrimination rule, M would, during the period of M’s remediable service in the employment or office, have entered into the same or similar arrangements.
- (4) The provision that may be made by virtue of subsection (1) includes, in particular, provision under which liabilities to pay voluntary contributions that would otherwise arise under the arrangements are reduced by tax relief amounts.
- (5) In subsection (4) “tax relief amounts” means amounts determined by reference to the tax relief under section 188 of FA 2004 (relief for members’ contributions) that would have been available in respect of the amounts owed if they were paid in a different tax year.
- (6) Provision by virtue of subsection (1) may not permit a member (“M”) to enter into arrangements after –
 - (a) the end of the period of one year beginning with the day on which a remediable service statement is first provided in respect of M, or
 - (b) such later time as the scheme manager considers reasonable in all the circumstances.
- (7) Subsection (6) does not affect the continued operation after the time mentioned in that subsection of any remedial arrangements entered into before that time.
- (8) In this section “non-discrimination rule” means a rule that is, or at any time was, included in a Chapter 1 scheme by virtue of –
 - (a) section 61 of EA 2010, or
 - (b) paragraph 2 of Schedule 1 to EEAR(NI) 2006.
- (9) For the purposes of this section a breach of a non-discrimination rule is “relevant” if it arises from the application of –
 - (a) an exception to section 18(1) of PSPA 2013 made under section 18(5) to (7) of that Act, or
 - (b) an exception to section 18(1) of PSPA(NI) 2014 made under section 18(5) to (8) of that Act.”

Member’s explanatory statement

This Clause makes it possible for a Chapter 1 legacy scheme to make provision giving members with remediable service the facility to enter into new arrangements to pay voluntary contributions. The facility may only be made available to members who show that they would have entered into similar arrangements but for unlawful discrimination, and may be made available only for a limited period.

- (b) a pension scheme in relation to which the obligation to give such a certificate has been waived in accordance with that statement of practice;

Clause 36

VISCOUNT YOUNGER OF LECKIE

61 Page 27, line 32, leave out “a person's service” and insert “any continuous period of service of a person”

Member's explanatory statement

This amendment clarifies that the definition of “remediable service” applies separately in relation to service of a person that takes place at different times (so that a person may have some service that is “remediable service” and some that is not, and may have more than one period of remediable service).

62 Page 27, line 38, after “that” insert “all of”

Member's explanatory statement

This amendment clarifies that the second condition (which is concerned with whether service is pensionable) must be met in relation to all of the service in question.

63 Page 28, line 8, after “with” insert “the day after”

Member's explanatory statement

This amendment ensures that 31 March 2012 (or, where the person left pensionable service before then, the final day of pensionable service) is not counted towards a disqualifying gap in service.

Clause 38

- (1) Subsection (2) applies where—

- (3) The steps are—
 - (a) the transfer of any relevant assets and liabilities to the relevant judicial legacy salaried scheme,
 - (b) the surrender of any entitlement to a pension under the relevant judicial legacy salaried scheme, and any right to a future pension under that scheme, that would otherwise arise under the rules of the scheme in respect of the value of the assets and liabilities transferred, and
 - (c) if at any time any relevant assets and liabilities were transferred out of the partnership pension account (otherwise than in the course of a transfer to the relevant judicial legacy salaried scheme), the payment by the appropriate person to the relevant judicial legacy salaried scheme of an amount, determined by the relevant authority after consulting the Government Actuary, in respect of the value of the relevant assets transferred.
- (4) Subsection (5) applies where—

- (8) For the purposes of this section assets and liabilities are “relevant” in relation to any PPA opted-out service of a person (“P”) if –
- (a) they are referable to pension contributions or voluntary contributions that were made by or on behalf of P in respect of the service, and
 - (b) they are held for the purposes of a partnership pension account.
- This is subject to subsection (9).
- (9) Where –
- (a) the total of the pension contributions, together with any voluntary contributions, that were paid by P in respect of the PPA opted-out service, exceeds
 - (b) the total of the pension contributions that would have been payable by P in respect of that service if the service had been pensionable service under the judicial legacy scheme to which the relevant assets and liabilities are to be transferred,
- the assets and liabilities that the relevant authority, after consulting the Government Actuary, determines are referable to the excess are not “relevant” in relation to the PPA opted-out service.
- (10) A reference in subsection (9) to pension contributions or voluntary contributions paid by P in respect of PPA opted-out service is a reference to the amount of the contributions paid, net of any tax relief under section 188 of FA 2004 (relief for contributions) to which P was entitled in respect of them.”

Member’s explanatory statement

This amendment substitutes Clause 38. The replacement Clause is updated in a number of respects, and now caters in particular for cases in which the member has died, and cases in which transfers have been made from the partnership pension account.

Clause 45**VISCOUNT YOUNGER OF LECKIE**

65

Page 34, line 10, leave out “, civil partner or other adult” and insert “or civil partner”

Member’s explanatory statement

In the judicial legacy schemes, the only adult who may be entitled to benefits on a member’s death is a surviving spouse or civil partner. This amendment therefore removes the redundant reference to other adults.

Clause 48

VISCOUNT YOUNGER OF LECKIE

66 Page 37, line 8, at end insert –

“(5A) If –

- (a) M is deceased,
- (b) a PPA lump sum death benefit has been paid on the death of M, and
- (c) a legacy scheme election has been made in respect of M,

the PPA lump sum death benefit is to be treated for the purposes of subsection (4)(a) as a lump sum benefit paid under the scheme in respect of M’s remediable service in the judicial office.”

Member’s explanatory statement

Where a person has opted out of the public service pension scheme available to them and instead has a partnership pension account, and the person dies, a lump sum may be paid by the department to the person’s nominated beneficiary (or, in the absence of a nomination, to the person’s personal representatives). Where a legacy scheme election is made in respect of the person, the arrangements for lump sum death benefits under the legacy scheme will apply. This amendment ensures that a correction is made for the lump sum already paid.

67 Page 37, line 23, at end insert –

““PPA lump sum death benefit” means an amount paid by the relevant authority, on the death of a person who has a partnership pension account, to a person nominated by the deceased or to the person’s personal representatives.”

Member’s explanatory statement

Where a person has opted out of the public service pension scheme available to them and instead has a partnership pension account, and the person dies, a lump sum may be paid by the department to the person’s nominated beneficiary (or, in the absence of a nomination, to the person’s personal representatives). Where a legacy scheme election is made in respect of the person, the arrangements for lump sum death benefits under the legacy scheme will apply. no amount is to be paid by the scheme manager in respect of the difference to the appropriate person.

- (4) Where—
 - (a) the paid contributions amount for an in-scope or out-of-scope tax year in respect of M's remediable service in the judicial office, is less than

the appropriate person must pay pension contributions in respect of the difference to the scheme.

- (4A) A reference in this section to “the paid contributions amount” for a tax year in respect of M's remediable service in a judicial office is a reference to the sum of—

- (a) the aggregate of the pension contributions that (after taking into account the effect, if any, of section 47(2), (4) and (6)) have been paid under the scheme by M in the tax year in respect of so much of the service as was not PPA opted-out service, and
- (b) where any of the remediable service was PPA opted-out service—
 - (i) the aggregate of the pension contributions and any voluntary contributions that have been paid by M under the partnership pension account in the tax year in respect of the PPA opted-out service, or
 - (ii) if lower, the aggregate of the pension contributions that (after taking into account the effect, if any, of section 39(2) to (5) or 42 (2)) were payable under the scheme by M for that tax year in respect of the PPA opted-out service.

- (4B) A reference in this section to “the payable contributions amount” for a tax year in respect of M's remediable service in a judicial office means the aggregate of the pension contributions that (after taking into account the effect, if any, of section 39(2) to (5) or 42 (2)) were payable under the scheme by M for that tax year in respect of the service.

After Clause 56 - continued

“relevant member”, in relation to a judicial scheme, means a member (other than a deceased member) who has remediable service in a judicial office which, after the end of the election period, is pensionable service under the scheme;

“remedial voluntary contributions arrangements” means arrangements –

- (a) which are entered into by a member after the end of the election period, and
 - (b) under which the member pays voluntary contributions to the scheme.
- (3) Provision by virtue of subsection (1) may permit a member (“M”) to enter into arrangements only if the scheme manager is satisfied that it is more likely than not that, but for a relevant breach of a non-discrimination rule, M would, during the period of M’s remediable service in the judicial office, have entered into the same or similar arrangements.
 - (4) The provision that may be made by virtue of subsection (1) includes, in particular, provision under which liabilities to pay voluntary contributions that would otherwise arise under the arrangements are reduced by tax relief amounts.
 - (5) In subsection (4) “tax relief amounts” means amounts determined by reference to the tax relief under section 188 of FA 2004 (relief for members’ contributions) that would have been available in respect of the amounts owed if they were paid in a different tax year.
