Amendment
No.

After Clause 77

LORD BERKELEY

66AA★ Insert the following new Clause—

“Duty to hold inquiry on road vehicles hitting rail bridges

Within 6 months of the passing of this Act, the Secretary of State must set up an inquiry into what civil and criminal penalties would be effective to reduce the incidence of road vehicles hitting rail bridges, which must include consideration of liabilities and penalties, take evidence and make recommendations, and publish these along the evidence received within 18 months of the start of the inquiry.”
