- (a) P has not attained the age of 16 years and is not competent to deal with the issue of consent to storage of the gametes, or
 - (b) P has attained that age but, although not lacking capacity to consent to the storage of the gametes, is not competent to deal with the issue of consent to their storage.

After Schedule 16 - continued

- (4) In relation to Scotland, sub-paragraph (3) is to be read as if, for paragraphs (a) and (b), there were substituted “P does not have capacity (within the meaning of section 2(4) of the Age of Legal Capacity (Scotland) Act 1991) to consent to storage of the gametes”.

- (8) P's consent to the storage of the embryo is to be taken as having been withdrawn at the end of a renewal period that relates to a consent period if—
 - (a) K has complied with the requirements of sub-paragraphs (2) and (7) in relation to that consent period, and
 - (b) P's consent is not renewed under sub-paragraph (6) before the end of the renewal period.But this is subject to sub-paragraphs (9) and (10).
- (9) If, in a case referred to in sub-paragraph (8)(a) and (b), P dies before the end of the renewal period—
 - (a) P's consent is not to be taken as withdrawn under sub-paragraph (8), but
 - (b) if at the end of the period of 10 years beginning with the day on which P died there is still effective consent from P to the storage, P's consent is to be taken as withdrawn at that time.
- (10) If, in a case referred to in sub-paragraph (8)(a) and (b), before the end of the renewal period P is certified as lacking capacity to renew consent—
 - (a) P's consent is not to be taken as withdrawn under sub-paragraph (8), but
 - (b) if at the end of the period of 10 years beginning with the day on which P was so certified there is still effective consent from P to the storage, P's consent is to be taken as withdrawn at that time.
- (11) But P's consent is not to be taken as withdrawn under sub-paragraph (10)(b) if, before the time it would be taken to be withdrawn under that sub-paragraph—
 - (a) P is certified as having capacity to renew consent to storage of the embryo, and
 - (b) P renews consent to storage of the embryo by informing K in writing that P consents to its storage.
- (12) In a case where P has renewed consent under sub-paragraph (11)(b), this paragraph applies subsequently as if references to the consent period were to—
 - (a) the period of 10 years beginning with the day on which P so renewed consent, and
 - (b) each successive period of 10 years.

After Schedule 16 - continued

- (13) Where P's consent is taken as withdrawn under this paragraph, K must, as soon as possible, take all reasonable steps to give notice of the withdrawal to each person whose gametes or human cells were used to bring about its creation.

Storage after expiry of pre-commencement consent

- 13 (1) If a pre-commencement consent to the storage of gametes or an embryo expires at any time in the transitional period, the storage of the gametes or embryo for the remainder of that period is not unlawful merely because of that fact.
- (2) In sub-paragraph (1) –
- (a) “pre-commencement consent” means consent given under Schedule 3 to the 1990 Act before the commencement day;
 - (b) the reference to expiry of consent does not include withdrawal.

- (3) A request under sub-paragraph (2) must be given before 1 July 2023 in writing.
