TO BE MOVED

IN COMMITTEE OF THE WHOLE HOUSE

[Supplementary to the Fourth Marshalled List]

**Amendment
No.**

Schedule 10

BARONESS THORNTON

202A★ Page 218, line 29, after “under” insert “section 114A(1) or”

Member’s explanatory statement

This amendment and another to Schedule 10 provide that the Secretary of State must set out rules for determining the price to be paid for NHS services and that this is subject to Parliamentary scrutiny.

Clause 144

BARONESS BOYCOTT

244A★ Page 123, line 39, at end insert –

“(2) Within six months of the passing of this Act, the Secretary of State must review whether it is desirable to impose further restrictions on the advertising of an identifiable less healthy food or drink product within the definition given by paragraph 1 of Schedule 17, in particular in relation to outdoor advertising.”

Schedule 17

BARONESS BOYCOTT

253AA★ Page 237, line 9, at end insert –

“(4A) A video-sharing platform service or a social media platform service of a description specified in regulations made by the Secretary of State must not include advertisements of a kind prohibited under subsection (1).”

Clause 147

LORD REAY

259C★ Page 125, line 7, leave out paragraph (a) and insert –

“(a) for subsection (3A) substitute –

Clause 147 - continued

- “(3A) The Secretary of State must conduct a toxicological review of the fluoridation of water supplies as set out in subsection (3B) before making a request under subsection (1) for the first time after section 147 of the Health and Care Act 2022 comes into force.
- (3B) The review must consider recent peer-reviewed studies, in particular—
- (a) Bashash M, et al., ‘Prenatal Fluoride Exposure and Cognitive Outcomes in Children at 4 and 6–12 Years of Age in Mexico’, *Environmental Health Perspectives*, 2017, Volume 125, Number 9,
 - (b) Green R, Lanphear B, Hornung R, et al., ‘Association Between Maternal Fluoride Exposure During Pregnancy and IQ Scores in Offspring in Canada’, *JAMA Pediatrics*, 2019, 173(10):940-948,
 - (c) Till, et al., ‘Fluoride exposure from infant formula and child IQ in a Canadian birth cohort’, *Environment International*, 2020, Volume 134, 105315, and
 - (d) Bashash M, et al., ‘Prenatal fluoride exposure and attention deficit hyperactivity disorder (ADHD) symptoms in children at 6–12 years of age in Mexico City’, *Environment International*, 2018, Volume 121, Part 1.””

Member’s explanatory statement

This amendment is intended to require the Secretary of State to conduct a toxicological review of certain US-Government funded, peer-reviewed scientific studies, before making a request to require the fluoridation of water supplies.

After Clause 148**LORD HUNT OF KINGS HEATH**

297K★ Insert the following new Clause—

“Secretary of State: Duty to promote and ensure the full integration of self care for minor ailments within the health system

- (1) The Secretary of State, in exercise of his or her functions, must promote self care for minor ailments and prepare a national self care strategy to integrate self care fully into the wider health system.
- (2) The national self care strategy referred to in subsection (1) must include measures to—
 - (a) improve inequalities in health literacy,
 - (b) enhance the understanding of primary and secondary age children on how to self care,
 - (c) introduce self care modules in healthcare professionals’ training curricula and continuing professional development,
 - (d) make best use of, and expand, the Community Pharmacist Consultation Service,
 - (e) improve access to effective self care treatments,

After Clause 148 - continued

- (f) enable community pharmacists to refer people directly to other healthcare professionals,
- (g) ensure better support for Primary Care Networks (PCNs) to deliver self care,
- (h) evaluate the use of technologies developed during the COVID-19 pandemic to promote greater self care, and
- (i) accelerate efforts to enable community pharmacists to populate medical records.”

Member’s explanatory statement

This amendment would ensure that the Secretary of State promotes self care for minor ailments and publishes a national self care strategy to fully integrate it into the wider health system.
