

# Police, Crime, Sentencing and Courts Bill

---

AMENDMENT  
TO BE MOVED  
ON THIRD READING

---

**Clause 80**

LORD ROSSER

Leave out Clause 80

***Member's explanatory statement***

*This clause is consequential on a clause which was not added to the bill, as it was defeated by a vote of the House. This clause therefore provides background detail for a power and a clause that does not exist. This amendment would remove this non-operational clause from the bill.*
