ON REPORT

[Supplementary to the Second Marshalled List]

Amendment
No.

Clause 32

LORD ETHERTON

45A★

Page 36, line 9, leave out “, but for these purposes sexual orientation does not include acts that are criminal in any part of the United Kingdom”

Member’s explanatory statement

This amendment seeks to address the issue of the distinctions between sexual orientation/identity and acts, and arises in particular from considering the case of LGB applicants under the age of consent.
